

# The Max Foundation

## Corporate Partnerships

The Max Foundation (Max) engages with diverse and meaningful stakeholders in the global health field who are committed to bridging access to quality cancer treatment in low- and middle-income countries.

By partnering with The Max Foundation, your company visibly elevates its commitment to aid vulnerable populations by supporting patient services, resulting in stronger healthcare systems and lives directly impacted all over the world.

Your engagement also opens the door to an ongoing, collaborative dialogue for shared strategies, gaining insights from Max's robust network of more than 500 partner physicians, 384 hospitals and clinics, 67 patient associations, member-based affiliations, and distribution channels in over 70 low- and middle-income countries.

Max's 2019 Stakeholders Meeting during the American Society of Clinical Oncology (ASCO) conference.

## Corporate Partners of Max

The Max Foundation maximizes every contribution and connects our partners to benefits tailored to each company's priorities and goals. Benefits strengthen our partnership and are mutually agreed upon when a contribution is received. Benefits may include:
